Republican Machine Covers Ground in Good Fashion—Not a Single Contest in Primaries

Republican primaries were held the city, last night, 405 votes were cast, and the machine ticket of delegates was elected without contest in any single district. The Eighth and the Tenth districts polled the highest votes, each getting 58 votes. The Twelfth polled 48 votes. The machine

worked very nicely indeed.

The Republican city and town convention will be held Tuesday night at Republican headquarters. No trouble is anticipated in getting the machine slate endorsed and the convention, in all probability, will be in session but a short time.
